

Special Conditions for Membership

In reference to the discussions held at Leuven on September 8, 2015, the undersigned applicant for membership in the World Taekwondo Federation (WTF) hereby agrees to the following special conditions for membership. The applicant agrees to be monitored by the WTF until the WTF is satisfied that the special conditions have been satisfied. The applicant further understands that its membership shall be reconsidered if conditions are not satisfied within a reasonable time.

1. Inclusion. No minority groups should be excluded.
2. Dispute settlement. An efficient, internal arbitration-based dispute settlement system shall be implemented.
3. Athlete selection based on objective criteria. For multisport competitions, such as the Olympic and European Games, athlete selection should be done under the tutelage of the Belgian Olympic Committee.
4. Transparency. All regional federations should strive towards optimal transparency with respect to membership.
5. Elections. After the Olympic Games in 2016, new elections should be organized.
6. Monitoring. The WTF will appoint a person or persons to monitor the implementation of the above conditions. The monitoring will end when the WTF Juridical Committee so decides.
